Learn About Public Works Projects That May Affect You

Each year, the City performs numerous Public Works projects that affect many residents. These include street paving, sanitary sewer reconstruction, and storm sewer installation. Many of these projects result in special assessments against the properties. Please take a moment to look at the City's 5-Year Capital Improvement Plan to see if any future projects will be performed in your area. The plan can be found on the City's website at www.cityofkaukauna.com under Departments, Engineering, Forms/Documents, Capital Projects Listing. Please contact the City's Engineering Department at 766-6305 with any questions or comments. ◊

All yard waste must be in paper compost bags or cans. Loose yard waste and yard waste in plastic bags will not be accepted. Grass clippings will be accepted, however, the City of Kaukauna and the DNR encourage residents to leave clippings on the lawn. Lawn clippings are a good source of fertilizer and can also make excellent compost.

Fall Clean-up/Fix-Up Week November 14-17, 2016

City crews will pick up anything (except hazardous waste, electronics, tvs, propane tanks, tires and motor oil) that you put out on your normal garbage collection day. Garden debris, small sticks, and twigs MUST be in the 2-ply Kraft paper compost bags or in an open container not larger than thirty (30) gallons and not weighing more than fifty (50) pounds. **Plastic bags, paper bags or boxes of any kind containing yard waste WILL NOT be collected. (Note: there is a difference between a compost bag and a regular paper bag.)**

White goods must have a sticker before placing them out for collection.

Stickers can be purchased at the City Clerk's Office at 144 W. Second Street, Monday through Friday, between the hours of 8 am and 4:30 pm. Refrigerant stickers (freezer, refrigerator, air conditioner, or dehumidifier) are \$15.00. Non-refrigerant stickers (stove, microwave, oven, washer, dryer, dishwasher, furnace, or water heater) are \$10.00. If appliance is left on the curb or in the alley more than 24 hours prior to your garbage day, a charge of \$20.00 plus cost of sticker will be billed to the property owner.

Limbs and branches 2'-4' in length should be wrapped in bundles. Limbs and branches 4'-6' long should be neatly placed on the terrace with the butt ends facing the roadway. (Limb and branch collection by the City occurs during the second full week of every month.)

Grass clippings will be accepted, however, the City of Kaukauna and the Wisconsin Department of Natural Resources encourage residents to leave their grass clippings on the lawn. Lawn clippings are a good source of fertilizer and can also make excellent compost.

Please take this opportunity to clean up around your home and garage and dispose of any unwanted items. Be sure these items are out by 7:00 am on your normal garbage collection day. You may call the Street Department with questions—766-6337.

HAZARDOUS WASTES such as solvents, gasoline, fuel oil, pesticides, insecticides, herbicides, antifreeze, lead based paints, oil based paints, acids and alkalis, etc., CANNOT BE PUT OUT FOR PICK-UP. Please call Outagamie County Solid Waste facility at **832-5277** with hazardous waste questions. ♦

Did you receive a lottery credit on your real estate tax bill?

If you owned your home on January 1, 2016, and use it as your primary residence, you are eligible to receive a lottery and gaming credit. Check your tax bill. If the credit is not on your bill, stop in the Clerk's office to sign a late claim form by January 31, 2017. ♦

Snow and Ice Removal

Citizens are reminded of the following Municipal Code of Ordinance No. 8.13:

1. All owners or occupants of real property shall remove or cause to be removed within 48 hours after a snowstorm in the City, all snow and ice accumulated on the sidewalks contiguous to the premises they own or occupy. If the owner or occupant fails to comply with this section, the City, under the direction of the Street Superintendent, shall cause the snow or ice to be removed and with cost and expense thereof assessed as a special tax under Section 66.0627, Wisconsin Statutes, upon the lot contiguous to the sidewalk cleared. The cost for snow removal shall be \$0.50/lineal foot of sidewalk frontage with a minimum charge of \$45. Any owner or occupant who does not comply with this section shall, in addition to the tax levied, be subject to forfeiture under Section 25.04 of this Municipal Code.
2. The moving or depositing of snow from private or business property, such as parking lots, filling stations, private driveways, and other areas onto or into the streets or highways of the City is prohibited. Any person violating this prohibition shall be subject to forfeiture under Section 25.04 of this Municipal Code.

Section 25.04 of the Municipal Code provides that penalties of up to \$300.00 shall be levied for all violators in addition to the cost of snow removal. ♦
